

2017 Veterinary Technician Lecture Series

These two-hour lectures are held every other month on a Thursday evening from 6:00-8:00pm. Dinner is served right as the lecture begins. Participating technicians will receive two hours of CE credit from the Ohio Veterinary Medical Licensing Board in February and two hours of RACE-approved CE credit for the remaining lectures. Speakers are specialists, residents, or technicians. We encourage an annual donation of \$25 to The MedVet Charitable Foundation. This one-time contribution for the 2017 lecture series can be mailed or brought anytime throughout the year. Please make checks payable to The MedVet Charitable Foundation.

The lecture series will be presented at MedVet Cincinnati in Fairfax.

Month	Date	Specialty	Title	Presenters
