

Emergency Clinician Mentorship Program

Fast track to a rewarding career in ER medicine.

The MedVet Emergency Clinician Mentorship Program (ECMP) is an accelerated training program providing the opportunity for veterinarians to gain the knowledge and skills necessary to be an exceptional Emergency Clinician in an organization owned and led by veterinarians that practices the highest quality of specialty healthcare.

As a MedVet ECMP doctor, you'll receive:

Exceptional Mentorship

Student Debt Repayment Assistance

Competitive Doctor's Compensation

Compensation and benefits, including:

Long-term career support

Day One, Sign-on Bonus

Shareholder Opportunities

401k

Paid Time Off (PTO)

Health Insurance

Discretionary Funds

Uniform Allowance

You can look forward to enhancing your diagnostic and therapeutic capabilities and honing your communication skills while delivering exceptional care and service to the Patients, Clients, and Referral Partners we serve.

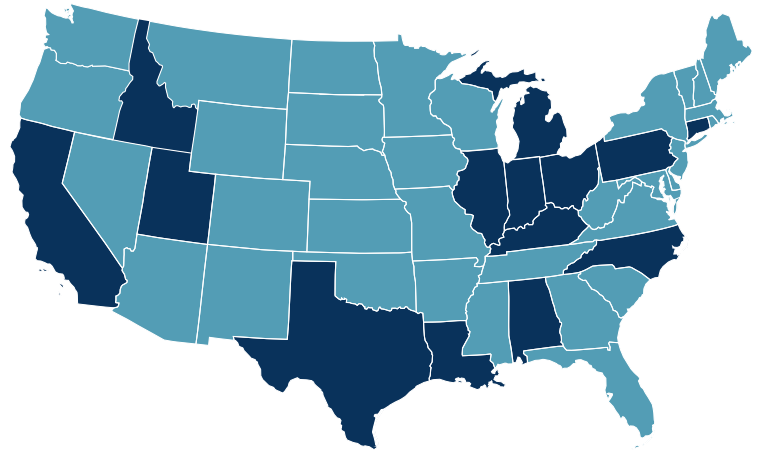

If you are a new or recent graduate with a passion for emergency medicine and delivering exceptional patient care, the MedVet ECMP may be perfect for you! Apply today or contact us to learn more.

Apply Today!

Please apply to the ECMP program through the QR code, or contact amanda.purcell@medvet.com with your questions.

We have ECMP opportunities at MedVet hospitals in several states.

Program Requirements

DVM degree from an AVMA recognized institution.

Two letters of recommendation from clinical faculty members with knowledge of applicant's clinical abilities and communication skills.

Current license to practice veterinary medicine in the state of your program.

Employment interview with background check.
